

For more information and to start your application, please scan the **QR Code** below to apply or email us at enquiries@geeks4learning.com

Are you ready to embark on a **transformative journey** that will set the foundation for a successful career in the [IT] industry? **This is where you start:**

1: Submit Your Application

Begin your journey by submitting your application on our TurboHire platform.

Ensure that you provide accurate and detailed information to help us understand your background and aspirations.

2: Send Relevant Documentation

After submitting your application, you will be prompted to send all relevant documentation.

This includes your academic records, identification, and any other documents that support your application.

3: Assessment and Bootcamp Discussion

If your application meets our initial criteria, you will be invited for an assessment and a discussion about the bootcamp.

This session helps us evaluate your suitability for the program and allows you to ask questions and learn more about what to expect.

4: Join the 2-Month Online Bootcamp

Upon successful completion of the assessment, you will be welcomed into our 2-month online bootcamp.

The bootcamp includes a series of remote workshops and evaluations designed to equip you with the skills and knowledge needed for a successful [IT] career.

5: Complete the Bootcamp and Prepare for Your Learnership

Successfully complete the bootcamp program by participating in all required activities and assessments.

Upon completion, you will be prepared and well-equipped to embark on one of our learnership opportunities, setting you on the path to a promising [IT] career.
